**Re: Joint Request to Toll Milestone Payment Deadline
Docket No. 2020-__-E**

Dear Ms. Boyd:

On August 31, 2020, Dominion Energy South Carolina, Inc. ("DESC") and Lone Star Solar, LLC ("Lone Star") (collectively, the "Parties") amended the underlying Interconnection Agreement ("IA") dated April 19, 2019 (hereinafter the "Amended IA"). The Amended IA was necessary in order to allow revisions to information previously provided in the Appendices to the IA.

Under the Amended IA, Lone Star requests interconnection facilities in-service as of August 1, 2022. Pursuant to the amended Milestone Table, Lonestar is to provide a financial payments/guarantees to DESC on or before October 26, 2020 ("Milestone 2").

Lone Star brought a unique question to DESC's attention that warrants the Parties' further consideration. Lone Star presented its issue well before the October 26, 2020 date; the Parties have discussed the issue; and DESC has determined that revising the due date for Milestone 2 to allow for a limited extension of time will not adversely affect lower queued customers. In light of the combined factors above, the Parties jointly support revising the timeline for Milestone 2.

Therefore, the Parties respectfully request that the Commission grant the Parties permission to negotiate a revised due date for Milestone 2 in the Milestone Table, and that Lone Star's payment obligation for Milestone 2 be tolled pending those negotiations.

Sincerely,

A handwritten signature in blue ink that reads "J. Ashley Cooper". The signature is fluid and cursive, with the first name "J." and last name "Cooper" clearly legible.
